

STURGIS TRIP 2015

Next year is the 75th Anniversary of the Sturgis Motorcycle Rally. From the word buzzing around the clubhouse there will be a bunch of members heading out west to attend the event. One place that is taking reservations already is the Broken Spoke Campground.

They have pull through sites with electric and water hook-ups and they come around to dump your tanks when needed. Both 30amp & 50amp sites are available. Each person staying at each site needs to purchase a wristband. With the wristband you get access to everything on the campground, the bands, the swimming pool, hottub, showers. They also have a shuttle bus every 2 hours into town so you can enjoy yourself and not worry about riding back. Check out the link below for pricing.

Some of us have already reserved our site for next year. So if you're interested in going, make your reservation now because sites will be going fast. The phone number and website are listed below.

If you do call to make a reservation be sure to mention that you're with the Reading Motorcycle Club. They're going to do their best to keep all of us together. Be sure to checkout the FAQ tab on the home page.
