

RMC Anniversary Party Vehicle Info

- Motorcycles may come and go and ride around the club property.
- When the barriers are in place around the pavilion **NO** vehicles of any kind are permitted beyond them.
- Golf carts are permitted to be used on the grounds. They need to be the standard size footprint as golf carts used on a golf course and have head lights and tail lights.
- 4-wheelers are permitted as long as they are **NOT** a racing model and they will be at the discretion of the club.
- Oversize vehicles are no longer permitted on club property with the exception of those used for the club during the party. Custom made novelty vehicles, extended length airport type carts, farm & work type vehicles and vehicles pulling trailers loaded down with people are prohibited from being used on the club property.

You will be asked to park your vehicle if it does not meet these guidelines. Continued use of a vehicle after you've been told to park it could result in you being ejected from the party.
